*Dear Victoria*

On behalf of Open Arms TPMH Cancer Patients Support Group I write to thank you for the very generous prize you donated to this year's Open Arms Raffle during the Big Breakfast Challenge. In previous years, we had only a very small raffle, but this year we had 28 prizes in total, all very different and attracting a broad section of our community. All these prizes were donated by local businesses and, in total, raised a massive 3,000 euros, which is quite outstanding!

As you know Open Arms and this year's local beneficiaries - Friends for Life Hospice, Limassol, The Anti Cancer Society (Cyprus), The Friends' Hospice, Paphos and The Marguerite Cancer Patients Support Team are well thought of through-out the island and this year so far we have raised over 15,000 euros during breakfast week, with funds still coming in.

Breakfast Week is vitally important to our charity, as it is our only fundraising event of the year, but it also provides awareness on how OPEN ARMS can support those in need. As it happens, there were many demands on the charity last year and we were thankful that we had the resources to give financial as well as emotional support to those who need it most.

Many thanks again for your contribution and for supporting Open Arms.

With very best wishes
